

WCGN Values Statement

Women's Collective Giving Grantmakers Network (WCGN) is a powerful new movement in the philanthropic landscape.

We believe in

- the advancement of collective giving organizations brings new assets and leadership to transform our communities.
- women's philanthropic leadership will improve the world through pooling women intellectual and financial capital for the common good.
- mentorship and learning are essential elements for effective grant making.

Our member organizations value:

1. High impact grants
2. Developing women's leadership
3. Diverse and inclusive membership
4. Educated and engaged members
5. Democratic decisions
6. Connection and collaboration among member organizations
